### Trusted Support When It Matters Most

Stories from Those We've Assisted

Lilypay helped me tremendously. When my husband died it was such a strain on myself because he canceled his life insurance and the funeral home wanted money upfront. Thank you Lilypay for supporting my family in time of need.

★★★★★ - Tasha W.

I lost my beloved wife 13 months before losing my big sister. Both losses were unexpected, and we hadn't planned for the funeral expenses. When my sister passed, someone at the funeral home suggested Lilypay. I went to their website and saw a flat fee with a reasonable payback term. When I called to confirm, the Lilypay team walked me through the simple process with empathetic professionalism
